DETAILED ACTION

Drawings

1. The drawings were received on 07 March 2006. These drawings are acceptable.

Allowable Subject Matter

2. Claims 29-47 are allowed (renumbered 1-19).
3. The following is an examiner's statement of reasons for allowance:

Regarding independent claims 29 and 39, prior art of record fails to show or reasonably suggest a terminal and its associated method for tuning to a channel to receive broadcast video programming and commerce information associated with multiple products, a processor for executing a first application to simultaneously display the list of products and broadcast video, and when the view selects one of the products determining if product configuration data is required for the product, if the determination step is true, then executing a second application for the configuration data while simultaneously displaying the broadcast video programming with the configuration data.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
